This program includes Summer and Winter season activities for the Centreboard, Keelboat and Power Yacht Sections and serves as the official Notice of Race for Sailing.

*Competitors agree to grant the Organising Authority the right in perpetuity to make use of and place in the public domain, from time to time and at their discretion, any motion pictures, still pictures, live, taped or filmed video recordings and other reproductions of the athlete during the period of the competition without compensation.*

# CLUB SAILING COURSES:

## JUNIOR & YOUTH SAILING COURSES

### **Tackers 1 & 2 combined** (Girls and Boys 7 – 12 years old)

Tackers is a learn to sail course where all the equipment, including the boats, is provided. The kids play games and go on adventures as they progress their knowledge of sailing and boat handling!

### **Blue Fleet / Tackers 3**

This is our most recent addition to our junior progression aimed to aid growth in boat handling whilst transitioning kids into our racing fleets. This is where kids will learn rules of racing and how to sail our Open Skiff and Pelican junior classes.

### **Green Fleet** (Junior Members only)

Junior members have the opportunity after Blue Fleet to be invited into our Saturday morning Green Fleet training sessions. All fleets are coached with the intention to refine boat handling skills and prepare for upcoming regattas and racing.

### **Out There Sailing** (Girls and Boys 12 – 17 years old)

This program provides the opportunity for teenagers to enjoy the yacht club facilities whilst learning about several on-water activities - delivered by qualified instructors.

## ADULT SAILING COURSES

### **Adult Dinghy** (3 x 3.5 hour sessions)

This course is an introductory sailing course that will provide participants with a wide range of skills, a sound understanding of the responsibilities of the helmsman and crew, and knowledge of the marine environment.

### **Keelboat Start Crewing & Helming** (3 x 4 hour sessions)

Start Crewing / Helming is designed for people with little or no sailing experience, who want to get a taste of sailing, as well as those wanting to take their skills further. Run over 3 days, each day will consist of 1 hour discussion & practical rope work followed by 3 hours of on-water instruction.
